Dear Sir/Madam,

Planning Applications 4/25/2208/0R1 Location: LAND AT BOWRIE FAULD, WEST OF SMITHY BANKS, HOLMROOK

We can confirm that there is SP Electricity North West Ltd (SP ENWL) infrastructure located on land associated with the above application.

The applicant should be advised that great care should be taken at all times to protect electrical apparatus and any personnel working in its vicinity. Anyone working in proximity to any of our apparatus (whether above or underground) should be referred to two relevant documents produced by the Health and Safety Executive (available from The Stationery Office Publications Centre and The Stationery Office Bookshops), and advised to follow the guidance given.

The documents are as follows:-
HS(G)47 – Avoiding danger from underground services
GS6 – Avoidance of danger from overhead electric lines

SP ENWL offer a fully supported mapping service, providing up to date information about the location and status of our apparatus. Further information can be found at https://www.enwl.co.uk/advice-and-support/line-search-before-you-dig, alternatively you can call us on 0800 195 4141.

It is advisable that the developer and/or their contractors make contact with SP ENWL as soon as reasonably practicable to discuss the location of our assets and their proposals, to ensure there is no unnecessary delay to any works they wish to carry out.

Kind Regards,

SP Electricity North West
