

- Boundary 1 - Metal Railings**
1100mm high metal railing, posts and balusters at regular centres. Arrow denotes locations to include matching access gates.
- Boundary 2 - Timber fencing**
min. 1800mm high close boarded treated timber fencing. Arrow denotes locations to include **lockable** matching access gates.
- Boundary 3 - Masonry wall**
1200/1800mm high masonry wall with concrete capping, unless otherwise stated. Arrow denotes locations of timber access gates where applicable.
- Boundary 4 - Hedge**
Native species hedging, refer to landscape architects information for more details. Arrow denotes locations to include timber access gates.
- Boundary 5 - Estate fence**
min. 1100mm high metal estate fencing. Arrow denotes locations to include timber access gates.
- Boundary 6 - Timber Post and Rail**
min. 1100mm high treated timber post and rail fencing with minimum top, mid and base rail.
- Note**
This drawing must be printed in colour.
Refer to Surface Finishes plan for extent of site surface finishes.
Preliminary specification to be agreed with client.
