Decision Of Cumberland Council

Planning Condition 2 – Approve requirements of planning condition.

Informative

The approval of the requirements of Planning Condition 2 does not remove the requirement to obtain any necessary highway permits, technical approvals, S278

agreements, S38 agreements, or other statutory consents that may be required for works within or affecting the public highway.

I trust that the above is both clear and acceptable; however, if you have any queries, please do not hesitate to contact the Development Management department of this Council.

Yours sincerely
