Description of Proposed Works

Please describe the proposed works

The roof has been repaired several times over the last 14 years but was still leaking. We secured a roofer that agreed to replace the roof, reusing as many original slate and any slates needing replaced like for like and asked him to start work. He has begun and we currently have no roof, and have needed to replace more slates than we had hoped.

The off-shoot roof also needed attention including insulation. This will be insulated with sheep wool insulation, and slate will be used for this too.

We expect the finished roof to match in with the other properties,

Details of the pre-application advice received

Sought advice when the roofer was becoming unreliable. Spoke to several people and finally had an email from Chris today (5th Aug) advising us that we needed to submit an application, but he saw no reason for it to be refused. The advice also included that it would be unreasonable for the work to stop.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
