Good afternoon Christie

There are no objections from Environmental Health to these proposed hours of operation.

There are no immediate residential neighbours to hand, and the site is within the Millom town centre with a number of pubs and restaurants nearby that trade into the late evening / night time.

The premises will require a Premises Licence, under the Licensing Act 2003, in any case and further consultation and oversight from Cumbria Police and the Councils Licensing and Environmental Health teams to ensure that the licensing objectives are met.

This procedure can help deal with operational issues if problems occur.

Regards

Good afternoon,

Further to the recent consultation letter sent in relation to the above application, the agent has now confirmed the attached proposed operation hours. I would be grateful if this could be considered within your response to the application.
