This application was discussed at our Parish Council meeting on 21 October.

Beckermet with Thornhill Parish Council find it difficult to review this application effectively due to the lack of information provided.

There was no indication on the planning application what building is being referred to nor what the building is being used for. This lack of information makes it difficult for BwT PC to comment effectively.

BwT PC intends to raise our issue with Sellafield Ltd at the Planning meeting next week.

Thanks

Tina
