
Copeland area Planning Department, Cumberland Council

For the attention of Christie M Burns

Date: 14 October 2026

Your reference: 4/26/2280/0F1

Dear Christie M Burns

CONSULTATION ON PLANNING APPLICATION

Appn: 4/26/2280/0F1
Site Address: LAND AT HODBARROW NATURE RESERVE, MILLOM
Proposal: FOUL DRAINAGE CONNECTION TO MAINSGATE ROAD PUBLIC SEWER

Thank you for your consultation on the above Planning Application.

Having reviewed the revised foul drainage link drawing, I note that it now confirms the connection MH on the UU network on Mainsgate Road. This clarification does not alter the impact on the Highway as this was the assumed connection point and thus I can confirm that the LHA and LLFA have no objection. My previous conclusion and recommendations still apply from my previous response:

...the wider foul drainage installation works will obviously impact Mainsgate Road and the proper Streetworks Permits will be required from the LHA Streetworks team.

<https://www.cumberland.gov.uk/parking-roads-and-transport/streets-roads-and-pavements/street-licences-and-permits/street-permit-and-licence-fees-and-charges>

Please be advised that the Highway outside and or adjacent to the proposal must be kept clear and accessible at all times.

Yours sincerely

Shamus Giles

Lead Officer - Flood & Development Management
