A photograph of an office interior. On the left is a glass door with a black frame and a silver handle. A red dashed line runs vertically along the right edge of the door frame, starting from the floor and going up. A red arrow points upwards along this line. To the right of the door is a plain, light-colored wall. On the wall, there is a red-bordered box containing the text 'INTERNAL CABLE ROUTE.' and '1ST FLOOR.'. To the right of the wall is a window with a blue cushioned sill. Below the window is a dark grey cylindrical ottoman and a small round white table with a bottle on it. The floor is made of light-colored wood planks. A potted plant is visible in the bottom left corner.
