Increase in the height of existing building erection of rear dormer windows and extension of existing rear staircase enclosure to create an additional one bedroom apartment (Use Class C3) within the roof space, installation of roof lights on front elevation and creation of enclosed cycle storage to the rear yard

Thank you for the above planning consultation.

Within the confines of its remit, Environmental Health do not object to this proposed development.
We would request that the following condition is considered, to protect neighbours' amenity during the construction phase of works –

- Noise from construction works

Following approval of the development, construction activities that are audible at the site boundary shall be carried out only between the following hours Monday to Friday 08.00 – 18.00 and Saturday 08.00 – 13.00 and at no time on Sunday or Bank Holiday.

Deliveries to and removal of plant, equipment, machinery and waste from the site must only take place within the permitted hours detailed above unless otherwise agreed with the Local Planning Authority.

Reason: In the interests of the amenities of surrounding occupiers during the construction of the development

Regards
