Standing Seam

0.7 GreenCoat® Steel Standing Seam Roof Sheet With Ribs - Slate Grey

£24.95 inc VAT ★★★★★ (5)

Perfect for domestic and commercial projects, our A1 fire-rated 30/500 [standing seam sheets](#) deliver strength and style. Ribbed for added rigidity and reduced drumming, they feature concealed fixings for a clean, modern finish. Made from 0.7mm thick GreenCoat® Pural BT coated steel, with optional eaves lips for easy installation.

3.66m Fibre Cement Click Cladding Boards - Smooth Finish - Slate

£26.90 inc VAT

★★★★★ (3)

Sleek and flat lines, strength and resistance to the elements - our smooth finish, fibre cement click cladding boards have got you covered. Unlike our [fibre cement lap boards](#), our range of click boards slot together using hidden fixings to create a cladding system where the boards sit flush with one another.
