Dear Mr Harrison

Planning Application Reference 4/23/2164/PIP

Land to the rear of 108 Victoria Road Whitehaven

I refer to the above planning application, which is under consideration with Cumberland Council.

I have been notified of the proposal for three dwellings to the rear of No:108 Victoria Road, and I was recently served notice by the applicant's agent of an amendment that would affect the front boundary wall of my property at No: 110 Victoria Road. I understand that the amendment is necessary to enable the provision of a visibility splay to serve the proposed development.

I have no objection to the proposed amendment to my front boundary wall and have agreed in principle to sell that portion of the wall affected by the visibility splay to the applicant.

Yours sincerely
