Christie,

David's (Flood and Coastal Defence Officer) comments dated 09.07.25 are appreciated. This aside, it is considered that the issues surrounding the longer-term maintenance/improvement of the Haverigg Outer Barrier as a flood defence are distinct/separate and fall outside the remit of the current proposal.

How the long-term maintenance/improvement of the Outer Barrier will take place should be considered on its own merits.

Likewise, the current planning application needs to be considered on its own merits.

Best regards
